RE: 1995 Mid-Year Report (1/1/95-6/30/95)

Dear Ms. Barkley:

In response to your letter of October 26, 1995, enclosed please find our amended 1995 Mid-Year Report (1/1/95-6/30/95) and written comments for each question you asked concerning said report. A copy of your letter with numbers added to each question or concern is also enclosed to aid in correlation of responses.

#1: As a result of clerical error, the beginning cash balance was incorrect. The amended report contains the beginning balance which equals the ending balance of our 1994 Year End Report.

#2: A new Schedule A is enclosed to support the entry which had been shown on Line 11(b), which, upon further research, actually should be in support of an entry on Line 12. The amount has been adjusted because research indicated that some of the funds were actually for the non-federal account.

#3: The total for Line 20, Columns A and B of the Detailed Summary Page, is included in the amended report.

#4: An amended Schedule A is enclosed with correct aggregate year-to-date totals.

#5: On the amended Schedule A, each person's occupation and name of employer, as applicable, are shown.

Note: Thank you for your excellent information concerning the "best efforts" documentation that is acceptable to the Commission.

#6: An amended Schedule H4 is enclosed with appropriate categories checked.

#7: The amended Schedule H4 includes the total EVENT YEAR-TO-DATE amounts.

Ms. Wendy Barkley, Reports Analyst
Reports Analysis Division
Federal Election Commission
Page 2

#8: On the amended Schedule H4, you will note that the loan from John T. Korsmo, originally included, has been removed. This loan was a non-federal loan and should not be included in the report.

#9: An amended Schedule B is included with more complete identification of disbursements.

#10: The expenditures for advertising were for the general election in 1994 and were not for any specific identified federal candidate. Telemarketing and fundraising expenditures are made to pay for funds which are raised for operating expenses. These funds are not for any specific identified federal candidate.

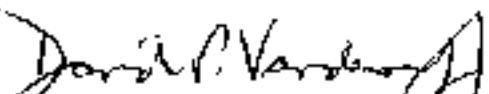

#11: By clerical error, the \$15,000 contribution shown on the original Schedule H4, was inadvertently deposited in the non-federal account instead of the federal account. When the error was discovered, the money was immediately transferred to the federal account.

#12: You requested clarification of our committee's relationship with the "North Dakota Republican Party." We are the North Dakota Republican Party. The "Schafer Volunteer Committee" is a committee formed to support the re-election of our state governor. Certain contributions made to the North Dakota Republican Party are allocated between the North Dakota Republican Party and the Schafer Volunteer Committee.

#13: Your advice concerning financial activity that was reflected on the wrong line has been noted. The amended report reflects the correct placement.

Thank you for your thorough analysis of our 1995 Mid-Year Report.

Sincerely,

David P. Vanderscoff, Treasurer
North Dakota Republican Party

Reference: 1995 Mid-Year Report (1/1/95-6/30/95)

Dear Mr. Vanderscoff:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your 1994 Year End Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Please provide a Schedule A to support the entry disclosed on Line 11(b) of the Detailed Summary Page. All contributions from political committees must be itemized on Schedule A regardless of the amount. U.S.C. §434(b)(3)(B)

-Please provide the total for Line 20, Columns A and B of the Detailed Summary Page.

-Schedule A of your report discloses aggregate year-to-date totals for contributions received from individuals which appear to be incorrect. Please be advised that federal regulations require aggregate year-to-date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year-to-date total is correct, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year-to-date totals.

-The identification of each contributor, including the person's occupation and name of employer, must be provided if the person has contributed in excess of \$200

NORTH DAKOTA REPUBLICAN PARTY

in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(i) for each entry lacking a contributor's occupation, name of employer and mailing address.

Note: If your committee has made attempts, either by a written request or by an oral request documented in writing to obtain this information from each contributor, your committee may have exercised "best efforts." Under revised 11 CFR 104.7(b), such effort shall consist of an initial clear and conspicuous request for the name, mailing address, occupation, and name of employer of each individual who has contributed over \$200 in the calendar year which informs the contributor that the reporting of such information is required by law. If necessary, your committee must make a written follow-up request or an oral follow-up request documented in writing, within thirty days with no additional solicitation. Subsequently, the committee should report any changes provided by the contributor or any additional information which is in the committee's records. If you believe that your committee satisfies the "best efforts" provision, you should provide a copy of your solicitation or an explanation of the method(s) used to obtain contribution information. Clarification regarding "best efforts" should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. 11 CFR §104.3(a)(4)(i)

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to check the appropriate CATEGORY box for the payment made to "Schafer Volunteer Committee" and "KOVIC Radio". Please amend your report to disclose the appropriate category.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the total EVENT YEAR-TO-DATE amount for a payment(s) to John J. Korsmo, North Dakota Republican Party, Schafer Volunteer Committee and KOVC Radio. Please amend your report to include the missing EVENT YEAR-TO-DATE total(s).

-Please provide a Schedule C or D, as appropriate, to support the entry of \$20,000 reported on Schedule H4 to John J. Korsmo. Loans and debts must be continuously reported until they are either repaid or settled. 11 CFR §104.3(d)

NORTH DAKOTA REPUBLICAN PARTY
PAGE 3

Please be advised that the non-federal account may not pay any portion of a loan made to the federal account. Repayments must come from the federal account which contains permissible funds. All loan repayments made must be itemized on a separate Schedule B supporting Line 26. They should not be allocated on Schedule B4.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule B of your report to clarify the following description: expense reimbursement. For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Please clarify all expenditures made for Advertising, Fundraising and Telemarketing on Schedule B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedule B or F supporting Line 23 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §104.3(b)

-Contributions to federal and non-federal committees do not qualify as shared expenses to be allocated between your federal and non-federal accounts. Contributions to federal committees should be disclosed on a Schedule B supporting line 23, and contributions to non-federal committees on a separate Schedule B supporting line 29. Please be advised that reimbursements from your committee's non-federal account for any portion of these contributions is not permissible. 11 CFR §102.5 (a)(1)(i)

Additionally, please clarify your committee's relationship with the "North Dakota Republican Party" and "Shafer Volunteer Committee," both of which have received shared payments from your federal and non-federal accounts.

The Commission recommends that you immediately transfer the funds received by your federal account, as reimbursement for federal and non-federal contributions, back to your non-federal account. Although the Commission may take further action concerning this prohibited activity, your prompt action will be taken into consideration.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Total receipts should be reported on Line 19 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.
